

Make both Sections A & B through the #12 pieces. Trim for #13* and #14* but do not add them. Trim the blocks at the dotted 1/4" line. Join sections A and B and complete the quarter unit adding #13*, 14*, 15*, 16* and 17*. Trim the block flush with the 1/4" line.

Please Note: If you are making just one 12" block, then use the first column cut list. If you are going to make the quilt, then use the second column in the box for the number of pieces to cut.
