Instructions for Making Simply Sensational 9-Patch Star Tool Caddy

Step-by-Step Instructions:

1. Assembly line paper piece the four Unit 7 foundations and trim on dotted line. Assemble star block using the center and corner squares. Machine baste the intersections to check for match. Press toward fabric. Press middle row seams to center.

Unit 7

12" fin. block

2. Assemble the front using the star and borders. Remove the paper.
3. Place right sides together with the facing and pin. Start stitching the perimeter 4" below the star block and end at the star block. Turn right side out and press.

4. Fold bottom edge up to the star seam. Mark ribbon 15" from end and insert between the fold and back and pin. Mark tool divisions with pins at 3", 2 1/2", 2", 1 1/2", and 1" leaving the remainder as a larger pocket for tools. Stitch side seams and intersections; back stitching at the beginning and end.

5. Put in tools, fold top down and roll toward the ribbon. Tie ribbon around the roll.
